EMPLOYMENT EXPERIENCE

Instructional Technologies Student Technician, Pacific Lutheran University — Parkland, WA

- Aug 2026 – present
- Set up, operated, and dismantled audio equipment for various events, including concerts, lectures, sports events, and theatre productions.
- Greeted and assisted clients and checked out equipment in a help desk environment.

Scene Shop Technical Assistant, Pacific Lutheran University — Parkland, WA

- Feb 2025 – present
- Contributed as a scenic shop carpenter in the construction and realization of theatrical set drafts and designs.
- Collaborated with a technical director and a team of carpenters to solve problems and execute a finished product.

RELATED EXPERIENCE

Umbrella Organization Production Manager, Pacific Lutheran University — 2026-2027

- Helped advocate for and support student theatre by allocating funding and providing workshops for professional experience that PLU did not previously provide.
- Collaborated with professionals outside of the university to give students new experiences to build their resume and make them better theatre practitioners.

Member of nationally recognized theatre honor society Alpha Psi Omega — 2026-present

THEATRICAL SKILLS

Scenic carpentry, theatrical rigging, stage electrics, sound engineering, spotlight operation, hand drafting, Vectorworks CAD, QLab
